Sweater Day

Put on your wackiest sweater, your favourite sweater or your coziest sweater on Sunnybrae's Sweater day-February 9th. The goal of National Sweater Day is for people to think about energy conservation. So instead of turning up your thermostats, put on a sweater and save energy. Did you know that if all Canadians lowered their thermostats by just two degrees celsius, it would reduce greenhouse gas emissions by about four megatons-that's the equivalent to taking nearly 700,000 cars off the road! (from www.wwf.ca). Sunnybrae's Green Team challenges all of our Bulldog families to turn down the heat on February 9th, and put on a sweater!

Not only will students be wearing their fun sweaters at school, we are inviting students to bring in any gently used men's, women's or children's sweaters. We will be collecting sweaters until February 16th. All sweaters will be donated to local organizations where families in need can access this clothing. Not only can students make a difference for the environment, but also for their community.

So break out those groovy sweaters on February 9th, and turn down the heat, and turn up the fun! Go Bulldogs!

Remind...

To receive messages about upcoming school events sign up for Remind. Simply text @323722 to 647-931-1813.

If you are not receiving email reminders from the school and would like them please send a note to the school clearly printing your email address.

Operations Day

On February 7th we will recognize the wonderful contribution that our custodians make to our school. Thank you Ms. Nichols, Mrs. Stewart and Mr. Spence for everything that you do for us here at Sunnybrae.

Student's are invited to wear their PJ's and/or slippers as we cozy up in the school and celebrate the people who make our school so nice and cozy!
